Key Contact

Prof Nicola Mattoscio, Chair.

Mission

To promote civil, cultural, economic and social development.

Background

The creation of Fondazione Pescaraabruzzo represented the continuation of the traditions of the Savings and Agricultural Bank that was established in 1871. Its main objective was to promote savings among the poorer social classes and to support local socio-economic development.

Geographic Focus

Region of Abruzzo, Italy.

Programme Areas

The foundation supports work for the public well-being, concentrating on the following areas:

- Scientific research
- Environmental protection
- Health
- Training, education and learning
- Arts and culture
- Charity in favour of the less prosperous

Types of Support

Awards/prizes
Collections acquisition
Conferences/seminars
Educational/training programmes
Publications
Research
Scholarships

Application Procedures

Contact the foundation for an application form. The application form should contain information about the applicant, the proposed project and details such as reports, statements and estimated expenses.

Restrictions

Does not fund individuals, except for those directly identified with the foundation's own programmes; profit making institutions; political parties or trade unions; initiatives that may restrict the freedom or dignity of citizens, or lead to discrimination; and to people outside of Abruzzo.
